Hi Lynn – That is correct. The appendices are on the CD only (the entire report is in a single .pdf file on the CD) and were not printed for inclusion in the hard copy report. I will send a copy of the appendices to you for the final FS binder. Chris

Subject: [EXTERNAL] Area 40 Final FS - missing Appendices

Hi, Chris.

I have the hard copy version of the Final A40 FS that was shipped to me, but the appendices aren't included. There is a CD with the binder but my laptop doesn't have a CD drive. Are the Appendices included on the CD? Either way, could you please send me the pages of Appendices A, B, C, and D so I can insert them in the final FS binder. Also, if the Appendices are not included on the CD that accompanied this binder, could you please send me another CD with the complete version included so I can get it archived in our Record Center.

Thank you,
Lynn
